### Follow These 4 Easy Steps to Licensing with Cape

1. Register for one of Cape's pre-licensing courses. Review all study material prior to class.
2. Cape will provide you with a criminal history request form to be submitted to VA State Police. Once that is returned to you it must be submitted with your agent license application.
3. Attend Cape's classroom courses.
4. Register for the State exam with Pearson VUE: www.pearsonvue.com or 888-204-6272.

*If you don't pass the state exam you may retake our pre-license course free of charge for one full year!*
